MEMORANDUM

TO: General Counsel  
FROM: Budget Officer  
SUBJECT: Allocation of Funds for Fiscal Year 1951

1. Budget analysts have recently obtained concurrences from Offices and Staff Sections as to anticipated financial requirements for fiscal year 1951.

2. Allocations have been based on such arrangements less five per cent withheld as a reserve for contingencies. Initial allocations and/or allotments will be reviewed during each quarter of the fiscal year in order to effect necessary adjustments.

3. The initial allocation for vouchered funds is [REDACTED] This amount will be formally made available by Advice of Allotment Authorization for operating activities immediately after the appropriation act is enacted for fiscal year 1951, providing no reductions are effected by the Congress.

4. It does not appear likely that the appropriation act for fiscal year 1951 will be passed by 1 July, however, it is anticipated that this office will be in position to effect arrangements for acceptance of obligation documents for normal operations until enactment occurs.
